

Name: Zhou Zhi Yan, Charlie

Class: 4A

Diary entry

24<sup>th</sup> September, 2014

Wednesday

Sunny and hot

Today, I went to school. It was good to read books and play basketball with my classmates. We played basketball in the P.E. lesson. I like playing basketball because I can keep fit. After school, I went swimming and ate a hamburger at McDonalds. Then, I did homework at home. It was a fun day.
