My favourite school is Dream Primary School.

The toilet is on the ground floor. We can wash our hands. The Mickey Tuck Shop is on the first floor. We can buy some soft drinks and pizza there. The Doraemon Art Room is on the second floor. We can draw pictures there. The English Room is on the third floor. We can play English games there. The Computer Room is on the fourth floor. We can play computer games. I like my school because it is a lovely place to learn.
