### A picnic to Cheung Chau Island

27<sup>th</sup> January, 2015

Tuesday

Sunny

Today, I went to Cheung Chau Island with my classmates and teachers. I took the school bus and terry to the island. The weather was sunny and warm. I felt excited. Suddenly, the school bus broke down on the way to the park. Then, the school bus driver called the school bus company to send another bus for us. We waited the new bus for about 30 minutes. When we waited for the new bus, some classmates played games and talked loudly on the bus because they felt bored.

Finally, the new school bus came. We took the new bus and continued with our journey. We were delighted because we could go on with our school trip.

First, I went to Tung Wan Beach. Then, I went to the seafood market. I had a good time eating with my classmates there. The dried seafood was yummy. At the end, I went to Pak Tai Temple. It was fun to see the Pak Tai Buddha. We took lots of photos in front of the temple. I liked the trip very much because I could play with my classmates happily.
